CIRCULAR TO FAIRVEST SHAREHOLDERS

1. INTRODUCTION

- 1.1 Shareholders are referred to the Company's SENS announcements on Thursday, 8 September 2016, advising that Fairvest's board of directors has declared a dividend of 8.489 cents per Share for the six-month period ended 30 June 2016. In the above announcement Shareholders were informed that they could either receive the dividend in cash ("**Cash Dividend**") or could elect to reinvest the dividend and acquire new Shares in the Company ("**Reinvestment Alternative**").
- 1.2 In this regard, Fairvest confirms that Shareholders will be entitled, in respect of all or part of their shareholding, to elect to participate in the Reinvestment Alternative, failing which they will receive the Cash Dividend of 8.489 cents per Share.
- 1.3 The number of Shares which Shareholders will receive in terms of the Reinvestment Alternative will be determined with reference to the ratio that 8.489 cents per Share bears to the ratio price, being:
 - 1.3.1 the five-day volume weighted average traded price (less the Cash Dividend); or
 - 1.3.2 spot price (less the Cash Dividend)of Shares on the JSE prior to the finalisation date. The price will be announced on the finalisation date, which will be no later than on Tuesday, 27 September 2016.
- 1.4 The entitlement of Shareholders to elect to participate in the Reinvestment Alternative is subject to Fairvest's board of directors, either itself or through a board sub-committee appointed to set the pricing and terms of the Reinvestment Alternative, having the discretion to withdraw the entitlement to elect the Reinvestment Alternative should market conditions warrant such action. A withdrawal of the entitlement to elect the Reinvestment Alternative would be communicated to Shareholders before the publication of the finalisation announcement on Tuesday, 27 September 2016.
- 1.5 By electing the Reinvestment Alternative, Shareholders will be able to increase their shareholding in Fairvest without incurring dealing costs. In turn, Fairvest will benefit from an increase in the amount of Shareholders' funds available to support continued growth.

2. CASH DIVIDEND AND REINVESTMENT ALTERNATIVE

2.1 Cash Dividend

- 2.1.1 Shareholders recorded in Fairvest's share register at the close of business on the Record Date of Friday, 14 October 2016 and who have not elected to participate in the Reinvestment Alternative, will be paid the Cash Dividend.
- 2.1.2 Shareholders who wish to receive the Cash Dividend do not need to take any further action. If no election is made to participate in the Reinvestment Alternative option, Shareholders will receive the Cash Dividend in respect of all the Shares held on the Record Date. Accordingly, Shareholders who wish to receive the Cash Dividend must **not** complete the attached form of election.
- 2.1.3 The Cash Dividend of 8.489 cents per Share will, on or about Monday, 17 October 2016, be paid via electronic transfer into the bank accounts of certificated Shareholders, whose banking details are held by the Transfer Secretaries. Certificated Shareholders whose bank account details are not held by the Transfer Secretaries, are requested to provide such details to the Transfer Secretary to enable payment of the Cash Dividend to be made to them.
- 2.1.4 In the case of dematerialised Shareholders receiving the Cash Dividend, the cash amount will be credited to their accounts held at their CSDP or broker.

2.2 Shareholders who wish to receive the Reinvestment Alternative

- 2.2.1 Certificated Shareholders wishing to receive the Reinvestment Alternative **must complete and return the attached form of election** in respect of all of part of their shareholding in accordance with the instructions contained therein and deliver, post, fax or email it to the Company's Transfer Secretaries, Computershare Investor Services Proprietary Limited, as follows:

Hand deliveries to: Computershare Investor Services Proprietary Limited Ground Floor, 70 Marshall Street Johannesburg, 2001	Postal deliveries to: Computershare Investor Services Proprietary Limited PO Box 61763 Marshalltown, 2107
Faxes to: 011 688 5210	Emails to: corporate.events@computershare.co.za

so as to be received by the Transfer Secretaries by no later than 12:00 on Friday, 14 October 2016.
- 2.2.2 Dematerialised Shareholders wishing to receive the Reinvestment Alternative must **not** complete the attached form of election, but should instead instruct their CSDPs or brokers with regard to their election in terms of the custody agreement existing between them and their CSDPs or brokers.
- 2.2.3 Shareholders may make the election in respect of all or part of their Shares held on the Record Date. If a Shareholder only makes the election in respect of part of its shareholding, such Shareholder will receive the Cash Dividend in respect of those remaining Shares for which the election is not made.

3. FRACTIONS

Trading in the electronic Strate environment does **not** permit fractions and fractional entitlements in respect of Shares. Accordingly, should a Shareholder's reinvestment in new Shares, calculated in accordance with the ratio referred to in paragraph 1.3 above give rise to a fraction of a new Share, such fraction will be rounded down to the nearest whole number, resulting in the allocation of whole Shares and a payment to the Shareholder in respect of the remaining cash amount due to that Shareholder under the dividend.

4. TAX IMPLICATIONS

- 4.1 In accordance with Fairvest's status as a Real Estate Investment Trust ("**REIT**"), Shareholders are advised that the dividend meets the requirements of a "qualifying distribution" for the purposes of section 25BB of the Income Tax Act, No. 58 of 1962 ("**Income Tax Act**").

4.2 South African tax residents

- 4.2.1 Qualifying distributions received by Shareholders who are South African tax residents must be included in the gross income of such Shareholders (as a non-exempt dividend in terms of section 10(1)(k)(aa) of the Income Tax Act), with the effect that the qualifying distribution is taxable as income in the hands of the Shareholder. These qualifying distributions are, however, exempt from dividend withholding tax in the hands of South African tax resident Shareholders, provided that the South African resident Shareholders have provided the following forms to their CSDP or broker, as the case may be, in respect of uncertificated Shares, or to the Transfer Secretaries, in respect of certificated Shares:
 - 4.2.1.1 a declaration that the distribution is exempt from dividend withholding tax; and
 - 4.2.1.2 a written undertaking to inform the CSDP, broker or the Transfer Secretaries, as the case may be, both in the form prescribed by the Commissioner for the South African Revenue Service ("**SARS**"), and Shareholders are accordingly advised to contact their CSDP or broker or the Transfer Secretaries, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the distribution, if such documents have not already been submitted.

4.3 Non-resident Shareholders

- 4.3.1 Qualifying distributions received by non-resident Shareholders will not be taxable as income and will instead be treated as ordinary dividends but which are exempt in terms of the usual dividend exemptions per section 10(1)(k) of the Income Tax Act. Any qualifying distribution received by a non-resident from a REIT will be subject to dividend withholding tax at 15%, unless the rate is reduced in terms of any applicable agreement for the avoidance of double taxation ("**DTA**") between South Africa and the country of residence of the Shareholder. Assuming dividend withholding tax will be withheld at a rate of 15%, the net amount due to non-resident shareholders will be 7.21565 cents per Share. A reduced dividend withholding tax rate in terms of the applicable DTA, may only be relied on if the non-resident Shareholder has provided the following forms to their CSDP or broker, as the case may be, in respect of the uncertificated Shares, or to the Transfer Secretaries, in respect of certificated Shares:
 - 4.3.1.1 a declaration that the dividend is subject to a reduced rate as a result of the application of a DTA; and
 - 4.3.1.2 a written undertaking to inform their CSDP, broker or the Transfer Secretaries, as the case may be, should the circumstances affecting the reduced rate change or the beneficial owner cease to be the beneficial owner,both in the form prescribed by SARS. Non-resident Shareholders are advised to contact their CSDP or broker or the Transfer Secretaries, as the case may be, to arrange for the abovementioned documents to be submitted prior to payment of the distribution if such documents have not already been submitted, if applicable.

- 4.4 Local tax resident Shareholders as well as non-resident shareholders are encouraged to consult their professional advisors should they be in any doubt as to the appropriate action to take.
